

## K4WD TRIP TO LAKE CONJOLA SHOALHAVEN AREA NSW SOUTH COAST

Thursday October 4th till Sunday October 7th 2012

Venue is The Lake Conjola Lakeside Van Park , LAKE CONJOLA - two and a half hours south of Sutherland shire.

Limited numbers only so first in best dressed!

I have held 8 camping sites and for the non campers 3 cabins at this early stage. The sites are adjacent to each other and opposite the cabins so our group is near each other. The sites and cabins are held in the name of K4WD. If anyone intending to come down, please book ASAP and use your name in the booking so you know you have that site/cabin held in your name.

Any monies are to be paid directly to the van park not to the Kytherian Association. I have booked camping sites 23 to 30 and lakefront apartments 5, 6 and 7. Sites 25, 26 and 27 have already been taken so hurry and make up your minds and book or you will miss out. I spoke to the park and there are more cabins available and sites but if you want to be near us you need to do it now. All sites here are powered.

Activities include boating such as fishing and water skiing, canoeing and golf plus numerous walks, bike riding and it is not far to coffee shops and boutique shops, as well as picture theatres and ten pin bowling, as it is only a short drive to Milton, Mollymook and Ulladulla.

See [www.conjolalakeside.com.au](http://www.conjolalakeside.com.au) for details phone 1800 354 243 and mention that you're from the K4WD Club when making the booking.

Please inform Peter Notaras if you have made the booking and for any further information ring Peter's mobile 0419 605 951.

Hope to see you there.
