

## Nelson Bay "Tastes at the Bay Food and Wine Festival" November Saturday 3rd till Sunday 4th 2012

The K4WD Club would like to invite you on another trip with a difference. Why not come to this culinary food feast and wine festival at beautiful Nelson Bay.

The spectacular waterfront at d'Albora Marinas on the Nelson Bay foreshore will host local fine food restaurants, wineries from the Hunter Valley and Port Stephens along with music to make your day on three stages.

on the Nelson Bay Foreshore:

This major culinary event also offers a selection of interesting activities in Apex Park, adjacent to d'Albora Marinas and market stalls

Please check the Tastes at the Bay web pages for more details on the program and purchase tickets on-line to your favourite events. See [www.tastesatthebay.com.au](http://www.tastesatthebay.com.au)

Wine isn't all you can sample at Tastes at the Bay Murray's Craft Brewery is Port Stephens own Craft Brewery and you can sample the local beer that has recently successfully broken into the competitive Manly market.

Saturday and Sunday

- Stroll amongst gourmet food stalls both in the park and at the marina.
- Enjoy live traditional, contemporary and Latin Jazz Music right through the day, both days.
- We will be staying in accommodation not camping hooray you say. This is not your normal type of K4WD trip so book your own accommodation ASAP as motel type accommodation is filling fast and it's hard to hold any type of sleeping abode for this premium event so make up your minds quickly or you will miss out. I will be staying at the Landmark Resort Nelson Bay and it still has some rooms left.
